Re: Ryan Bowser - Case No. 10-31871

Dear Judge Cangilos-Ruiz:

I represent the debtor, Ryan Bowser, in connection with his motion seeking an order holding Trinity Financial Services, LLC in contempt and for damages. In accordance with the Text Order issued on November 14, 2018 at docket number 77, the parties engaged in settlement discussions. Unfortunately, the parties could not come to terms. As the court has made a finding that there has been a violation of the discharge injunction, it is requested that the court set a date for a hearing on the issue of damages.

Thank you for your attention to this matter.

Very truly yours,

/s/ Stewart L. Weisman
